### **DETAILED ACTION**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Robert G. Hertman on May 1, 2006. The application has been amended as follows:

In claim 1, line 23 "and" has been deleted and in line 28, after request -- wherein the receiver generates a packet according to a user input command and transmits the packet to the digital radio broadcast transmitter via the network, and wherein the packet comprises an identification address of the receiver.--- has been included.

### ***Allowable Subject Matter***

2. Claims 1-20 are allowed over the prior art. The following is an examiner's statement of reasons for allowance: the prior art Noreen does not teach or suggest the receiver generates a packet according to a user input command and transmits the packet to the digital radio broadcast via the network, and wherein the packet comprises an identification address of the receiver. These limitation in conjunction with all other limitations , has not been disclosed , taught or made obvious over the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
